

DAY 4

Greater is He that is in me than he that is in the world (1 John 4:4)... the same Spirit that raised Jesus from the dead, lives in me... (Romans 8:11) God is on my side today and, therefore, I cannot be defeated.

Theme:

Knowing the super power inside of you

READ:

Galatians 2:20 Romans 8:11 1 John 4:4

REFLECTION:

As you read the scriptures today, read them one at a time and talk about them. Read them in a few different translations. This helps you to really understand what the verse is meaning.

As you read each verse and talk about it, ask the following questions:

According to Galatians 2:20, what happens to our old life when we accept Christ.

Take time allowing people to answer.

Circle back around to the thought of the old life is gone and the new life in Christ is what we live by. Help them to understand that this is a daily choice. We have to remind ourselves daily that we no longer live like we used to. We no longer live according to our flesh--our desires, and our selfishness, and our wants. Now, we live our lives by what Christ says.

According to Romans 8:11, what should it mean to us to know that the same Spirit that raised Jesus' body after 3 days, lives in us?

How supernatural is that?

What does that mean for us?

If the Spirit was able to help Christ during his time on earth and raise him out of impossible situations, shouldn't He do the same for us?

According to 1 John 4:4, what does it mean to "already win the victory?" (in the New Living Translation)

It's not about us. We don't have the power but it's Christ in us. It's the Holy Spirit in us. And when we begin to acknowledge His presence, we begin to KNOW who we are in Christ and we realize there is nothing in the natural world that is greater than the power inside of us.

CHALLENGE:

Read the Prayer confession 2 times from the beginning to today's confession. The more you read it, the more your faith builds. Know who you are! Take time to pray as a family! God is moving!
