Thank you for your interest in the ALC Internship program. Our goal and focus for this program is surrounded around 4 points of emphasis:

1. Spiritual Development

- a. Daily Reading
- b. Bible Summaries
- c. Weekly In-Depth Bible Studies
- d. Online Ministers In Training (MIT)

2. Leadership Development

- a. Listening to and learning from Pastor's Anointed Leadership Podcast.
- b. Training under different departments and staff members.
- c. Co-Leading specific areas in the ministry.
- d. Develop skill set to lead (and teach) a body of people.

3. Relationship Development

- a. Consistent conversation with those not typically found in your social circle.
- b. Frequent meetings with different ministers to help build relationships with those inside and outside the church.

4. Missional Development

- a. Minister to members of the body when someone is in need.
- b. Serve different needs in the body.
- c. Be a part of the soul winning team.

The next year will be filled with various opportunities to learn all parts of ministry but also challenge you, stretch you, and create in you a strength for the body of Christ. You will be strengthened in your personal walk with Christ as well as help those around you discover their purpose. At various times throughout this internship, you will find yourself in every part of the administrations of ministry. Our prayer is that you discover exactly how God has called you to apply your gifts to advance The Kingdom of Christ!

Before you decide to apply for the internship program, we would like to highlight a few requirements of the program (in detail) to help you decide whether a ONE YEAR commitment is something you would like to apply for.
